

Watersheds : We all live downstream

I LOVE A CLEAN SAN DIEGO

in partnership with the County of San Diego is offering FREE watershed presentations for high school students in unincorporated San Diego County!

Point and non-point source pollution affects human health and local ecosystems. Students will identify everyday actions they can take to keep their local watershed healthy.

Students will discuss:

- * Watersheds
- * Water Conservation
- * Water Cycle
- * Local Land Use
- * Hazardous Waste
- * Storm Water Run-off
- * Marine Debris
- * Biomagnification
- * Food Webs
- * Eutrophication

Includes Project WET activities:
A Drop in the Bucket and Sum of the Parts.
