

# Free Environmental Assemblies!

Now offering engaging **FREE** standards based assemblies for groups (100+ students) in **Carlsbad and Oceanside.**

Help kids learn about waste reduction, reuse, and recycling.

Schedule a whole school assembly, primary (K-3) and upper grade (4-6) assemblies, or by individual grade level!

*Empower Students!*

This fun and interactive presentation covers the importance of recycling and waste reduction. Students will learn how to make a positive impact on their environment and in their community!

*Protect Our Ecosystems!*
