

Join the Clean Committee

I Love A Clean San Diego's Clean Committee is a group of environmentally minded San Diegans who serve as ambassadors for the organization at local events and in their communities.

As a part of the Clean Committee, individuals learn more about ILACSD, perform vital tasks for the organization, and provide a platform for future service on our Board of Directors, if interested.

Members of the committee will be taught about ILACSD's mission, vision, services, and events. Members will take on a project to support the organization, and are invited to participate in ongoing cleanups and fundraising events. ILACSD especially needs individuals with specialized skill sets to help advise and assist ILACSD staff. Interested individuals are encouraged to reach out today!

Time Commitment

We ask committee members to serve for at least one year. There will be quarterly activities that members are encouraged to participate in, and a calendar of events will be provided to allow members to attend volunteer projects throughout the year. Members can participate in various ways as often or as little as they desire.

Who is eligible?

Anyone interested in keeping San Diego clean and litter-free is welcome to apply.

Be an Ambassador at our Cleanups

February

- Cupid's Cleanup

March

- Storm Drain Stenciling Day

April

- Creek to Bay Cleanup

May
